GENERAL GUIDELINES

- Indoor Climate:

  To ensure the longevity of your furniture and your personal comfort, maintain a relative humidity of 40–60% and a room temperature of 18–23°C. Long-term deviations can lead to warping, cracks, or rough surfaces.

- Avoid Sunlight:

  Direct UV radiation can cause materials to fade, dry out, or become brittle. Use curtains or other sun protection.

- Reordering Care Kits:

  If your care kit is used up, feel free to contact us — we will gladly send a replacement.

LEATHER

Aniline Leather

Daily Care:

- Gently wipe with a soft, dry cloth
- Do not rub — dirt can settle into the open pores

In Case of Stains:

- Dampen a cloth with lukewarm water and wring it out well
- Gently wipe the surface, then dry with a soft dry cloth
- Use the care oil from your care kit afterward

Avoid:

- Water, heat, solvents, shoe polish, alcohol, hairspray
- Long-term plastic coverings
- Dry air or direct air flow from heating or air conditioning units

Semi-Aniline Leather

Daily Care:

- Same as aniline leather, but occasional damp wiping is possible

In Case of Stains:

- Use a well-wrung cloth with lukewarm water
- Wipe gently, dry with a soft cloth
- Use leather cleaner sparingly and only if needed

Avoid:

- Frequent wet cleaning (max. once every 3 months)
- Solvents or aggressive cleaners

Pigmented Leather

Daily Care:

- Clean with a dry cloth or a vacuum cleaner with a soft brush attachment

In Case of Stains:

- Wipe with a damp cloth and mild soap solution
- Dry thoroughly afterward

Avoid:

- Solvents, oils, aggressive cleaners
- Excessive wet cleaning

LINOLEUM

Daily Care:

- Wipe with a dry cloth

In Case of Stains:

- Clean with a mild cleaner and lukewarm water
- Rinse and dry thoroughly

Avoid:

- Hot or wet objects placed directly on the surface
- Alkaline cleaners, sharp or pointed objects

FABRICS

Standard Fabrics

Daily Care:

- Lightly dust off
- Vacuum gently with a soft brush at low power

Care Instructions

In Case of Stains:

- Immediately blot liquids with a dry cloth
- For light stains: clean with a lukewarm solution of mild detergent (200 ml water + 1 tsp detergent), wring well, and dab gently
- Rinse with clean water and dry thoroughly

Avoid:

- Rubbing or scrubbing
- Sitting with wet clothing or high humidity
- Alcohol, deodorant sprays, disinfectants

Pearltone®-Fabrics

Daily Care:

- Lightly dust off, gently vacuum

In Case of Stains:

- Blot dry — do not rub
- If needed, pour a little water over the stain, then blot again
- Let the fabric dry thoroughly

Avoid:

- Machine or dry cleaning
- Alcohol- or oil-based products
- Rubbing with wet cloths

CUSHIONS

Daily Care:

- Fluff cushions after use
- Rotate regularly to prevent deformation

In Case of Stains:

- For fabric covers: follow the care label instructions
- Clean according to the "Fabrics" or "Leather" sections
- Treat leather covers as described in the leather care instructions

MARBLE

Daily Care:

- Wipe gently with a soft, dry cloth

In Case of Stains:

- Clean with a mild cleaner and lukewarm water
- Rinse thoroughly and dry

Avoid:

- Hot pots, acidic substances (e.g., vinegar, lemon juice)
- Impact or pressure
- Prolonged moisture — even standing water can damage the surface

MELAMINE SURFACES

Daily Care:

- Wipe with a damp cloth, then dry thoroughly

In Case of Stains:

- Clean with mild soap solution, then dry well

Avoid:

- Placing hot pots directly — always use trivets
- Abrasive items or rough-bottomed dishes
- Steel wool, scouring agents
